**Other comments on the Evaluation**

It is necessary to get a 5 on the exam and in the teaching unit added to the note of the various items.

Students who do not meet attendance (80%) and class participation will need to make a final trial that will include the entire contents (50% theoretical and 50% practical), and various methodological aspects.

In the second call notes of the various items are kept.

For resit an exam whose value is 100% of the grade will be made.
