Planning

	Class hours	Hours outside the classroom	Total hours
Laboratory practises	30	52.5	82.5

Master Session	22.5	45	67.5
*The information in the planning table is for guidance only and does not take into account the heterogeneity of the students.			

Methodologies	
	Description
Laboratory practises	You practise that they will form part of the work of the subject and that will be developed in a sportive installation
Master Session	Exhibitions of the aspects more *relevantes of each subject, explaining concepts, rankings, technical...It Will be of character *participativo.

Personalized attention	
Methodologies	Description
Master Session	In schedule of *tutorías
Laboratory practises	In schedule of *tutorías

Assessment	
	Description
Laboratory practises	Active participation in the practical kinds
Master Session	Examination writing or oral
	Qualification
	50
	50

Other comments on the Evaluation

To surpass the subject of continuous form the students has to surpass the two parts of the subject.

If no *cumple the requirements of the practice of way *continuopresentarase in June-*xulio the a consistent evaluation in:

It) *examen of the theoretical part (5 points)

*b) *examen Of the practical part (5 points)

It has to surpass both split to surpass the subject.
