Other comments

The face-to-face modalities and *semipresencial of the Degree in Direction and Public Management, share a same plan of studies, whose matters (of 1º to 4º) help to develop a learning of competitions based in the continuous evaluation.

It is indispensable the realisation of the readings of the basic texts recommended for the follow-up of the matter, and advisable the assistance and active participation in the classes, as well as the realisation of the exercises proposed.
