Other comments on the Evaluation

The description of this guide is thought for the face-to-face modality, by what will be compulsory to justify the assistance to the face-to-face classes.

To have right to the evaluation of the face-to-face part (4 on 10) is necessary to assist at least to 80% of the classes.

The note obtained by the student in the face-to-face part will have force for the announcements to which gives right the matrícula of every year academic

The concretion of the activities that it is necessary to realise will depend to a large extent of the number of students as well as of the availability of means to work in group.

The dates of examinations will have to be consulted in the page web of the Faculty
