Other comments on the Evaluation
In the case that a student does not follow or does not pass the continuous assessment, he/she will have to take two final tests, one oral and one written. These tests will include all the contents of the subject and will reflect the total fulfillment of the objectives. The result of these two tests will be the student's final grade. The same will apply for the second call. The dates and times of the tests of the different calls are those specified in the exam schedule approved by the Xunta de Centro for the course 2017-2018. In case of conflict or disparity between the dates and time of the exams, those indicated on FCETOU web page will prevail.
