Other comments on the Evaluation

More information about evaluation is available in Faitic.

The system is a classroom-based training. Then, students have to assist to the theoretical and practical sessions in the schedule established by the centre.

The evaluation system has been designed around two elements:

- a) Practical. The qualification will be maximum 3 points.
- b) Theoretical. A written exam that it will realize in the official timetable. The maximum punctuation will be: 7 points.

In order to be able to pass the subject, it is required to obtain at least a qualification of 3,5 points in the evaluation of the theoretical part.

EXTRAORDINARY CALL /JULY

- 1. The evaluation procedure in the second edition (July) is the same that in the first.
- 2. If the subject is not surpassed during the academic course, students will have to repeat the subject again according to the new guide criteria in the academic course in question. The qualifications will not be maintained.
