## **Training and Learning Results**

Code

- B2 Communication skills. Ability to present clearly, both orally and in writing, complex problems and projects within their fields of study.
- B3 Basic knowledge of the search methods of sources, analysis, interpretation and synthesis.
- B7 Ability to join multidisciplinary groups. Ability to cooperate with professionals from different fields.
- C1 Critical understanding of the history, theory and present-day discourse of art. Analytical assimilation of the concepts on which art is based.
- C5 Knowledge of present-day art theory and discourse, as well as the thinking of present-day artists through their works and texts. To constantly update direct knowledge of art through its own creators.
- C6 Knowledge of the specific vocabulary, codes and concepts of the artistic field. To know the language of art.
- C7 Knowledge of the specific vocabulary and concepts of each particular artistic technique. To know the specific creative languages.
- C19 Ability to identify and understand art issues. To establish the aspects of art that give rise to creation processes.
- C20 Ability to interpret artistic problems creatively and imaginatively. To develop creative processes associated with the resolution of artistic problems.
- C22 Ability to produce and link ideas within the creative process.
- C27 Ability to work independently. To develop the ability to plan, develop and complete one personal artistic work.
- C31 Ability to create and manage artistic production. To be able to establish the necessary planning programs in processes of artistic creation.
- C32 Ability to apply specific technologies professionally. To use the appropriate tools for one sartistic languages.
- C33 Ability to cooperate with other disciplines. Establishing links and exchange channels with other fields of knowledge.
- C36 Ability to document artistic production. To use the necessary tools and resources to provide a context for and explain one sown artistic work.
- C38 Heuristic and speculative skills for carrying out new artistic projects and strategies of action. To develop an understanding and speculation of artistic problems as a whole.
- C39 Ability to determine the most appropriate system of presentation for the specific artistic qualities of a work of art. To acquire skills for the appropriate appreciation of works of art in relation with their milieu and exhibition.
- C41 Ability to carry out artistic research projects.
- C42 Artistic creation skills and ability to construct works of art. To acquire the specific skills of artistic practice.
- C43 Ability to establish systems of production. To develop strategies applied to the systematic development of artistic practices.
- C44 Ability to carry out, organize and manage innovative artistic projects.
- C45 Ability to communicate and disseminate artistic projects.
