Other comments on the Evaluation

CONTINUOUS ASSESSMENT

Assessment based on the active participation of the student and the delivery of the work required throughout the course.

Global assessment of the learning process and acquisition of skills and knowledge through face-to-face tests on the official dates approved by the centre.

It will be necessary to obtain at least 50% of the total score of all assessable parts in order to pass the subject.

OVERALL ASSESSMENT

Students must inform the teacher of their express waiver of the continuous assessment system within the period established by the centre for this purpose, attaching the document provided for this purpose, covered and signed.

The overall assessment test will take place on the date and at the times set by the centre in the official exam calendar. The student must pass each and every one of the assessment tests detailed below, obtaining a minimum qualification of 50% in each one of them. Given the length of the tests, students who take the global assessment must have 4 hours to complete them from the official starting time of the examination of the subject according to the official calendar.

Brief description of the test:

Test 1. Problem solving or exercises. The oral or written exams will consist of the analysis of an audiovisual work or fragment thereof based on what has been presented in class and the recommended readings. The test is worth 40% of the total mark and a minimum mark of 50% is required to pass this part of the exam.

Test 2. Project-based learning. Carrying out one or several documentary projects according to the guidelines defined by the teacher. The work as a whole has a value of 40% of the total qualification. A minimum mark of 50% must be obtained in each of the assignments in order to pass this part. The assignments must be handed in on the date and time of the exam. Details of the contents of the assignments, methodologies and assessment criteria will be provided to students of global assessment once the period for express waiver of continuous assessment has expired.

Test 3. Work. Motivated selection of sequences of the contents covered in the subject following the guidelines defined by the teacher. It has a value of 20% of the total qualification. A minimum qualification of 50% must be obtained to pass this part. It will be handed in on the date and time of the exam. The details of the contents, methodologies and assessment criteria will be provided to the students of global assessment once the period for express waiver of continuous assessment has expired.

Summary of the tests and percentage of overall assessment of the set of tasks:

Test 1. Problem or exercise solving. Examination test. Valuation of 40% of the total mark.

Test 2. Project-based learning. Valuation of 40% of the total of the total mark.

Test 3. Work. Valuation of 20% of the total mark.

Students must obtain a minimum mark of 50% in all the tests in order to pass the subject.

Information about the evaluation tests, their format, length, evaluation rubric and delivery channels will be detailed through the Moovi platform. It is the student's responsibility to pay attention to the information uploaded and to gather the specific and complementary information required to pass the subject.

SECOND CHANCE

The evaluation system is the same in all the calls.
