Other comments on the Evaluation

The description of this guide is intended for face-to-face mode. The mark obtained by the student in the classroom will be valid for the calls to which the enrollment of each academic year entitles.

* The concretion of the activities to carry out will depend to a great extent on the number of students, means to work in group, etc.

The dates and times of the evaluation tests of the different calls are those specified in the calendar of evaluation tests approved by the Board of the Center for the 2022-23 academic year.

In the event of conflict or disparity between the dates of the exams, those indicated on the FCETOU website will prevail.

Other comments

This teaching guide anticipates the lines of action that must be carried out with the student in the subject and is conceived in a flexible way. Consequently, it may require readjustments throughout the academic year promoted by the dynamics of the class and the group of real recipients or by the relevance of the situations that may arise. Likewise, students will be provided with the information and specific guidelines that are necessary at each moment of the training process.
