Other comments on the Evaluation

The subject follows a continuous evaluation system. As an alternative to the continuous evaluation system, students may choose to be evaluated with a final exam that will evaluate both the theoretical and practical knowledge taught in the subject to be taken on the dates established in the official calls and which will account for 100% of the grade.

The dates of the exams can be consulted in the Teaching Calendar.

Continuous evaluation system: 4 tests will be carried out throughout the course, with a weighting of 25%, respectively.

Other comments and second call
