General description	The speciality of Degree in Primary Education demands that the teaching future possess, in addition to a wide training in aspects psicopedagógicos, a dominance cabal of the basic and indispensable tool in the communication: the tongue. Such competition is condition sine qua do not stop the transmission of knowledges and to form the discentes of an integral way. And three are the destrezas that the professors owe to perfect in the classrooms to reach the inherent objectives to the learning of this subject: the reading capacity (understanding, rhythm, dicción), the oral expression correction, clarity, fluency) and the expression written (correction, cohesion, property). The master future of Primary Education will owe, therefore, purchase a suitable level of Galician tongue that allow him the dominance of the destrezas arrive pointed out (expressive reading, oral expression and expression written) to carry out a triple task: use the Galician tongue how normal tongue in the teaching, serve of model of linguistic correction to the his students and detect and correct the errors that these can commit in the oral tongue and in the writing.
