#### **Other comments on the Evaluation**

To approve the matter in the first announcement (April-May), the student that assist regularly to class will have to surpass a theoretical proof on the basic concepts and the contents of the temario (final examination), as well as realise the works of classroom and tutelados proposed. In case of not assisting to class and not realising the activities, will do in the final examination (official), in the second announcement (July) or in the extraordinary announcements. The notes of the activities of the classes B, and the note of the Didactic Unit, in the case that they realised in the classroom, will conserve in the second announcement (July) and in the extraordinary announcements. The one who have not realised them will have to do them to surpass the matter. The overcoming of the theoretical proof is indispensable condition to surpass the matter.

All the student, assist or no to the classrooms, has right to be evaluated (by means of an examination or in the way in which it establish in the Educational Guide). The same conditions of general evaluation govern for those students that, by some reason, can not assist regularly to class.

The dates of the examinations can consult in the page web of the Faculty, in the link <http://feduc.webs.uvigo.es/index.php?id=60,0,0,1,0,0>
