Other comments on the Evaluation

The student who provides work experience related to the studies of the Degree in Commerce may validate the internship in a company, provided that he/she presents the required documentation and having in any case to carry out the memory of his/her work experience. Those who have carried out extracurricular internships that are adapted to the studies taught in the Degree in Commerce and provide the documentation required for this purpose may also validate their internships, and must also submit a report on the internships carried out and for which validation has been requested.

Recommendations

Other comments

It recommends to the students that read the rule of external academic practices curricular of the University Vigo, as well as the own rule of external academic practices of the Degree in Trade of the School of Business of Vigo.

The students will have to take into account the terms and the documents to cover in each moment for the formalisation and evaluation of the practices
