Other comments on the Evaluation

FIRST CALL AND SECOND CALL:

1.- In accordance with the Evaluation Regulation of the University of Vigo, students must communicate their choice not to use the continuous evaluation system in accordance with the procedure and on the date established by the Faculty. Just in case the Faculty does not determine a specific date, it will be indicated by the teachers on the first day of class.

2.- Students who follow the continuous assessment system will be evaluated according to the following criteria: 1) Presentation on a specific topic integrated into the first part of the subject, it will be in the middle of the semester (30%), 2) Test exam at the end of the semester (30%), 3) Regular attendance, active participation in class and attendance at other possible activities organized by the Financial and Tax Law Group (40% of the total value of the final grade). In order to determine this last evaluation, class attendance and active participation will be controlled.

3.- Students who follow the global assessment: their grade will be the result of a final written exam and it will be different from the continuous evaluation exam. In this global assessment exam students will be evaluated on all competencies.

4.- For all students, the final exam will be held on the date, place and time specified in the official calendar approved for this purpose by the faculty for the 2024/2025 academic year.

FINAL CALL (the following academic year):

The final grade will be the grade obtained on a written exam.

This exam will be on the date, place and time specified in the official calendar approved by the Faculty.
