

# **The Institute of Tourism and Sustainable Economic Development (TIDES)**

announces the fifth edition of

## **MSc in Tourism, Transport and Environmental Economics**

for the academic year 2018-19

### **First registration period is now open: 1-18 February 2018**

Other registration periods will be open during June and July 2018.

This is **the only tourism program in the ULPGC taught entirely in English**, representing the great commitment of the Tides Institute with the international projection of its graduates. In addition, this program includes among its academic staff renowned professors with extensive international research experience in tourism, transport and environmental issues. Enrolling in this program will give you the opportunity to interact with them and being involved in some of their projects in a very friendly atmosphere.

**Tides is the Institute with the highest scientific productivity in the ULPGC within the area of social sciences.** Enrolling in our master program will ensure your success for continuing your education in a PhD program.

In the attached files you will find registration requirements and instructions.

If you do not have the English B1 certificate, please let us know once you formalize the pre-registration in order to organize the on-line examinations.
